**What are participants saying about the Expert Exchange.....**

"I really liked the session. The presenter was really knowledgeable and was great about answering questions and speaking in layman's terms. **It's a great way to get CPE and have the sessions relevant to a school setting.**" BH from Virginia

**"Very informative and time well spent."**  
DH from Arkansas

**"A very clear and concise explanation of a technical topic.** Bob and Richard provided clarification to issues and myths surrounding implementation of the new regulations." RT from Alabama

"Enjoyed the session. **Gave me some great selling points to convince our board that our fees need to be increased.**" SW from North Carolina
